

AP European History Summer Reading- *Vermeer's Hat* by Timothy Brook

Write an essay of five paragraphs on the following prompt:

In what ways was the process of globalization displayed by the 17th Century Dutch?

Please include an introduction that contains some context of the period. In other words, what was going on at this time in the Netherlands or in Europe.

Your introduction should also contain your thesis statement.

Write 3 body paragraphs to support your thesis.

Your conclusion should restate your thesis and summarize your position.
